

## SPREAD THE COST OF YOUR PAYMENT PRODUCTS WITH THE HEMISPHERE WEST EUROPE AS-A-SERVICE PROGRAMME

Today's customers are more demanding and time-starved than ever. They want shopping to be fast, easy, and convenient. The customer experience is where payment solutions, offered by *Hemisphere West Europe Ltd*, can shine to make your everyday easier. However, since equipment and technology are used over time, it makes sense to pay for the payment solutions as they are being used. The Hemisphere West Europe As-a-Service Programme, *powered by Econocom*, offers you 'payment-over-time' models to match the equipment cost with the benefits it brings.
